"All too often, senior leaders in an organization become unsung heroes. This is why SmartCEO designed the Executive Management Awards. The 2013 EMA winners are not only taking their companies and co-workers to new heights, but they are also leaders within the communities where we work and live," says Jaime Nespore, group publisher of *SmartCEO* magazine, "We are honored to award each of these individuals and tell the stories of their achievements and contributions."

The Executive Management Awards, previously the SmartCXO Awards prior to the 2013 program rename, recognize the achievements of Greater Washington's management all-stars. Winners are recognized for their creative management vision, leadership philosophy, innovative strategy and undeniable work ethic. Over 350 local C-level guests will celebrate this elite group of executives at a cocktail reception on March 21, 2013 at the Fillmore. The event will kick off with a cocktail hour and networking followed by a video packed awards ceremony.
